

CLINICIAN TRAINING

A Child-Centred Approach to Parenting Interventions

Begins on January 23rd, 2024
Weekly on Fridays from 12-2.

Training will include live examples, role plays, and interactive learning!

This is a 10 week (20-hour) clinician training course for those interested in gaining and honing skills in working with parents.

with Dr. Zia Lakdawalla & Dr. Michele Locke

Dr. Zia Lakdawalla and Dr. Michele Locke are excited to offer this training course for clinicians looking to expand their clinical practice or gain new skills in working with caregivers/parents.
